

GG trio

"Music to go "

"Sit down and let the music come to you"

3 instruments, 3 voices, 3 x charming entertainment and all this without a stage, directly in the audience!

3 seasoned musicians with decades of experience and thousands of performances, playing rock 'n roll, blues, golden oldies and old German Schlager.

The GG Trio is there with passion and lots of fun!

"Look forward to an entertaining performance"
